

Cypress Springs Elementary School PTA *Heritage Night*

What? *Heritage Night* is an opportunity to celebrate your family's background or learn about your neighbor's background.

When? Wednesday, January 18, 2017 from 6:30 to 8:00 pm.

Who? Everyone from our CSE school community!

Why? This is a terrific opportunity for our families to share one another's cultures. We are a wonderfully diverse community and each of us has family background to brag about.

What can I bring? Bring in artifacts you would like to show off. Pictures, knickknacks, art, food, music, a video on a laptop, photo albums, etc. Each family will get a four foot table space on which to put their items. Electricity will not be provided – please do not bring anything which will require a power outlet.

If you would like to join us, fill out the form below and return it *promptly* to your child's classroom. We will accept forms until Monday, January 17th.
